

Dearne Tet,
12-14-62

Dear Edna & family

I was so glad to get your card, I have always loved all of you. I have been disappointed I could not go to more of the Greenhorns reunions. Something prevented usually I was sick. I am glad I can be up & about now.

I think Tom & Euclid will be in Temple 23, if you come through Temple be sure and stop for we will love to see you. We expect to be there

I keep half of my residence rent the north part. We have a place to stay when we go up, which we do often.

I believe you know where Sophia (Dr C. H. Cox Jr.) lives on 1504 No. 5th St.

Ray told me about meeting you, he liked you fine.

We had all of Orville's children here the 8th & 9th, his youngest son lives here

and has a large home
so we had plenty of room
for the 19 guest. We have
three bedrooms and they
also tho theirs is the
larger.

A Christmas card from
Mary + Hayde said Hayde is
better, up in the house
but not out yet.

Come to see us sometime
we are just off highway 6
about 4 blocks, come out
Davis St. turn right at Millers
store and we are 2nd house
from the store. 605 San Jose.

I like my Sunday school
class so much. We have
a splendid preacher and
a nice church. Will build
a new Auditorium soon.

I hear Edna is not
well. I wish I could
see her.

One of Lenas girls

lives in Temple, and I
had hoped Mary Bell
would come to see
her and visit me too
but she is in a home
for the aged and seldom
goes any place.

I havent seen Lena
either since the Guthries
have lived there.

Must quit

Love to all,

Aunt Emily,
