

## **FOUND SHE HAD BEEN ROBBED BY READING SUNDAY PAPERS**

Lillard Taylor, the negro arrested Saturday night by Lieut. Garret and Policeman Donlon while trying to sell a dozen knives, confessed yesterday morning to having taken the silverware from the home of Mrs. Columbia Innes, on the Russell Cave pike. Mrs. Innes had not missed the silverware, which she had not been using regularly, until she read the Sunday papers. The detectives took the negro's picture for the rogue's gallery and also to send away to the different cities which the diary in his pocket mentioned.
